About us

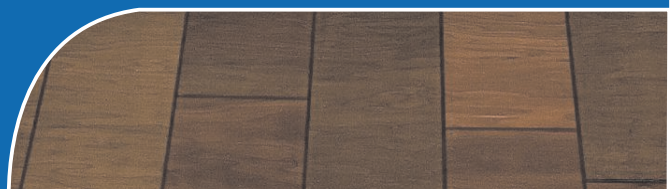

VK Group is a fresh initiative from the most trusted, respected and highly professional group of entrepreneurs who are in the business of building and interior decorative materials business for the last 40 years. Today we can say with confidence that we understand building materials better.

We represent many reputed brands of interior Decorative products of National and International fame and are very successfully marketing them in Eastern India.

We offer full comprehensive service with personal touch, whether it is local or national. Customers satisfaction and value addition is our trademark.

We exhibit an over whelming range of Plywood, Decorative Plywood, Laminates, various quality and species of Timber, Functional and non- Functional Furniture hardware materials.

We at VK believe in walking through the mist & cutting through the thorns! That is why we have been successfully and rapidly moving ahead and envision being at the zenith very soon, and becoming the most preferred and best supplier in our field of work.
